### FOLLOW THE BLUE FLAGS!

Discover Italian taste and a new way of inhabiting the office, at once formal and informal. FOLLOW THE BLUE FLAGS that indicate the stands of the best Italian companies, get to know and touch the products that have written and will continue to write the history of design. Learn how to create your own most effective work tool: an office tailored to your own way of working.

For an overview of Italian office furniture, to make an appointment with our members or for information on the office market, contact Luca Trippetti, Manager of Assufficio, the Italian Association of Office Furniture Manufacturers, who will be on site for the duration of Orgatec 2018
